

COVID-19 UPDATE

May 12, 2020

Dear **Customer, Partners and Colleagues**

A Big Big Thank you to all of the Health Care Workers all over the world who work tirelessly to keep our communities safe and provide help to anyone who may be in need.

Our Health Care workers are working on the front line risking their own health and lives to care for patients with suspected or confirmed COVID-19 and continue to care for patients with other medical conditions.

Their dedicated commitment and courage deserve our deepest gratitude and admiration.

We stand shoulder to shoulder with our customers and friends to fight this disease and united we will be successful and we will beat COVID-19.
